

**We seek to invite, encourage
and enable all ages to be
disciples of Jesus Christ.**

For 14th to 27th November 2021

Prepared by Marion Graham

Each Sunday at 7pm, Christians in every part of the UK join in prayer. Here is a prayer from Marion from which you may wish to draw out prayer points to focus on.

Dear Heavenly Father,

As this year is drawing towards its end, we come to You ... our rock, our comforter, our shield and defender. Many of us are beyond weary. Lately, it seems like we've been hit with one wave after another, without a reprieve. We are physically and emotionally exhausted. Help us find relief and rest for our weariness.

We need You, Lord. We need Your strength, comfort, and peace. We know that our Saviour Jesus invites anyone who is weary and feeling buried under the weight of life's burdens to come to Him. We accept that invitation right now. We are running to Jesus with our cares and worries, ready to enjoy His peace and rest.

Thank you for the freedom we have through Your Son Jesus. Let these words from Psalm 68:19 be our prayer,

Praise the Lord; praise God our Saviour! For each day He carries us in His arms.

Thank you, Lord, for reaching out to us with open arms and beckoning us to find comfort in You. You are a good Father, gracious and faithful.

Dear God, we pray for a world that doesn't know You. We pray for those who are lost. God show Yourself to those who don't believe.

Allow us to be a source of Your light to those who need You. Help us to lead people to You. Help us tell others about You and have the words they need to hear.

We pray for the lost that, if not by us, something or someone else will intervene in their life and direct them to You. We pray for divine appointments all across the world today. God, we pray for the world to know You. In Jesus' name.

We pray for persecuted believers that they would know the hope that Jesus gives. We pray that the Holy Spirit would strengthen them and let them know how much You love them. Be with them so that they would know how to share the gospel fearlessly.

The coronavirus disease that has spread rapidly around the world was officially declared a pandemic by the World Health Organization on March 11, 2020. More than 110.4 million people have been infected, and the death toll is over 2.4 million people. The numbers continue to increase daily, and the disease has impacted about 192 countries, prompting World Vision to launch our global COVID-19 response last March.

As Christians, we turn to God in times of fear and uncertainty as we do in times of joy and celebration. We pray for God's heart of love, mercy, and truth to dwell in us and show us how to face the challenges posed by the coronavirus.

Heavenly Father, we pray for vaccines to be swiftly made accessible to those countries who are in the greatest need. Give compassionate and generous hearts to those who make decisions about how to use surplus medicines.

Loving God, we pray that Your Kingdom will come here and now. Show us what Your will is for each of us.

Jesus, be our companion as we journey through the trials that we face.

Holy Spirit, when words escape us, intercede for us. Lead us into a closer walk with our Lord.

In Jesus name we pray,

Amen.
