

2021 **5** Day Bible Reading Plan

Read the entire New Testament in 2021!

This Bible reading plan allows you to read the entire New Testament in one year while only reading five times a week. Five readings a week gives room to catch up or take a day off to focus on other Bible readings or spiritual disciplines, and makes daily Bible reading practical and do-able. Many people have successfully reached their goal of regular Bible reading using a reading plan like this.

Check off each day's reading and then check off each week in the Weekly Progress Tracker. You will be amazed at how soon you are deep into the year and still reading your Bible regularly! God's blessings rest with those who will read, understand, and live by His Word. May this guide help you to that noble end.

"Thy word is a lamp to my feet, and a light to my path" (Psalm 119:105)

Begin by asking God to speak to you and help you hear Him. Maybe take some notes on the questions below. Close with prayer too, maybe talking about what you noted.

Questions to ask yourself as you read:

- Is there anything here that I should thank or praise God for?
- Does it show me a sin I need to confess?
- Is there a command to follow, or something I need to ask for God's help with? Anything that encourages me?
