Dear Brightons Church family,

This morning it was intimated that we will have congregational votes on the proposed adjustment for the Upper Braes Churches, comprising Blackbraes and Shieldhill, Brightons, Muiravonside and Slamannan Parish Churches.

The vote will be held on Sunday 25th August 2024, with each congregation voting after morning worship at their place of worship. Ahead of this, each Kirk Session will be forming an Electoral Register.

If your name and current address are already on the Communion Roll, then you will automatically be placed upon the Electoral Register. You will need to take no further action.

If you are a regular worshipper here, but are still a member of another congregation, and you wish to participate in the vote of adjustment, then you should arrange to hand in to our Session Clerk, Judith Norton, a valid Certificate of Transference before 4th August.

If you are a regular worshipper here, and not a member of this or any other congregation, then the Kirk Session can add your name to the Electoral Register as an "adherent". If you wish the Kirk Session to consider this, you should obtain a form from our Session Clerk, complete it and return it (even via email) to them before 4th August. Judith's email is sessionclerk@brightonschurch.org.uk

Copies of the proposed adjustment are available at the front and rear doors. These two Bases, one for the Union and one for the Local Mission Church, will be what we all vote upon. For Blackbraes and Shieldhill, Muiravonside and Slamannan they will also vote on whether to accept Rev Scott Burton as their minister. Individuals must be present on the day of the vote to be able to take part so, unlike political election votes, we do not offer postal or proxy votes; as such, we hope to see you present on 25th August if possible.

Please share news of this with others, and continue to pray for our unity and path forward.

Yours in Christ,
On behalf of the Kirk Session
